الشيعية هم أهل السنة

SHĪ'AS

Muhammad al-Tijāni al-Samāwi

Translated By Yasin T. al-Jibouri
Edited By Nasir Shamsi

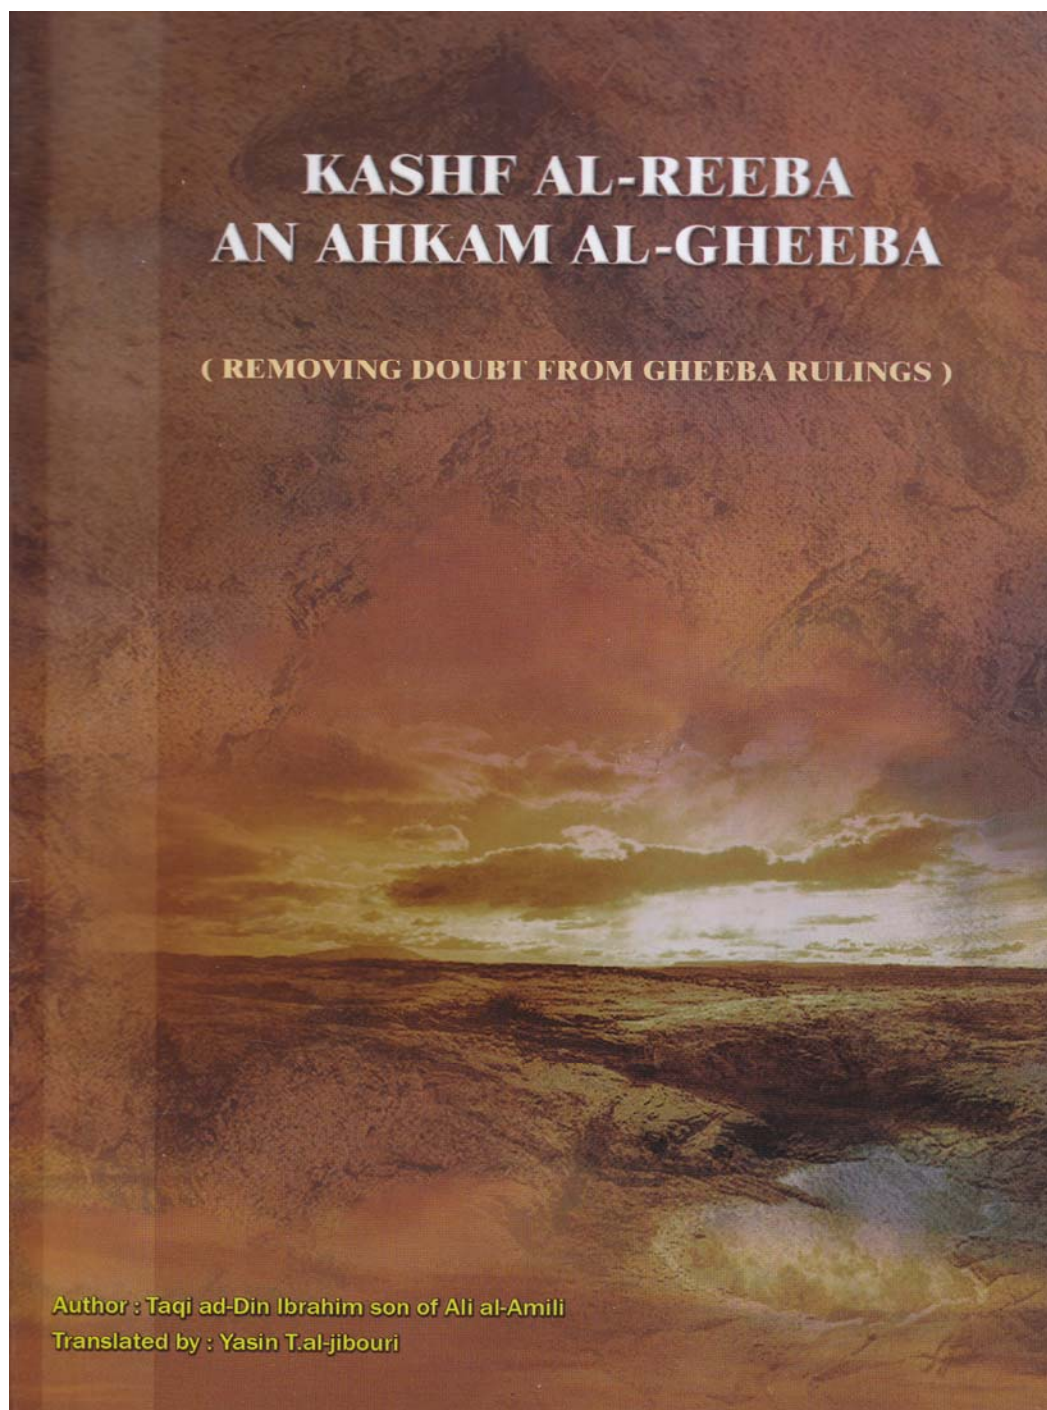

17) Cover of al-Jibouri's translation of one of the books written by Dr. Muhammad al-Tijani al-Samawi. Al-Jibouri designed its covers, re-wrote its first two chapters, numbered all its Qur'anic verses, provided the A.D. dates for all Islamic lunar dates and added some footnotes. Both al-Jibouri and Nasir Shamsi deleted all inflammatory sectarian statements from the translated text, thus improving its chances to be read by moderate and open-minded Sunni Muslims. It was first published by Vantage Press of New York in 1996; it has been reprinted a number of times, and it carries the Library of Congress Catalog Card No. 96-90442, ISBN 0-533-12055-1.

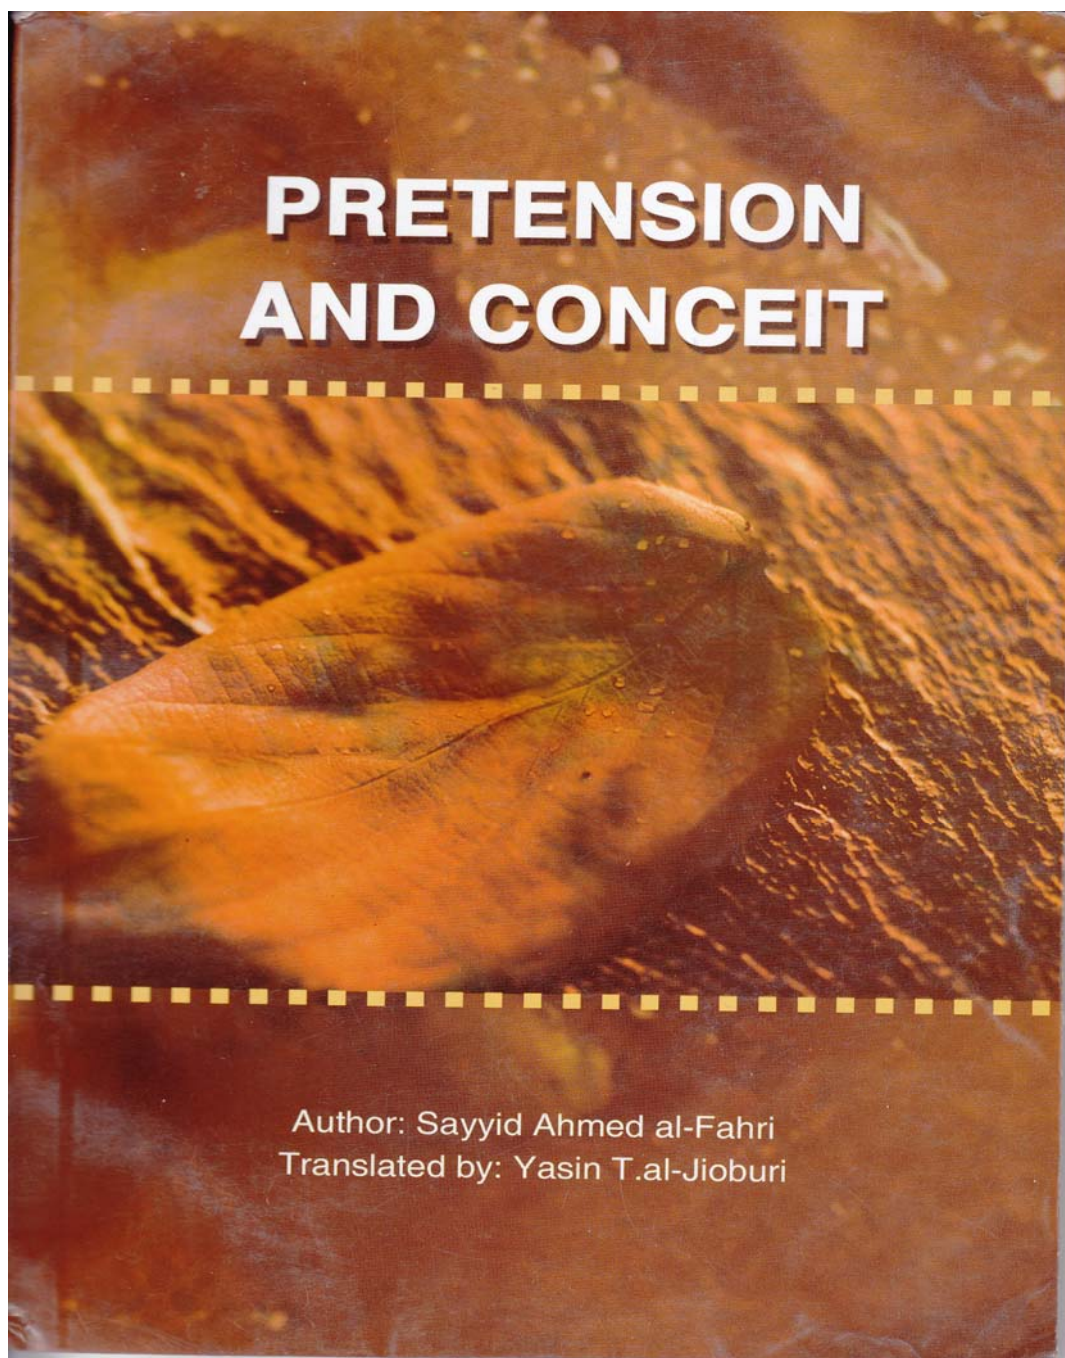

18) Front cover of al-Bahrani's book titled *Al-Siraj* which al-Jibouri translated, Habib al-Kazimi edited and Ansariyan published in 2004. It falls in 152 pages and carries ISBN 964-43-558-6.

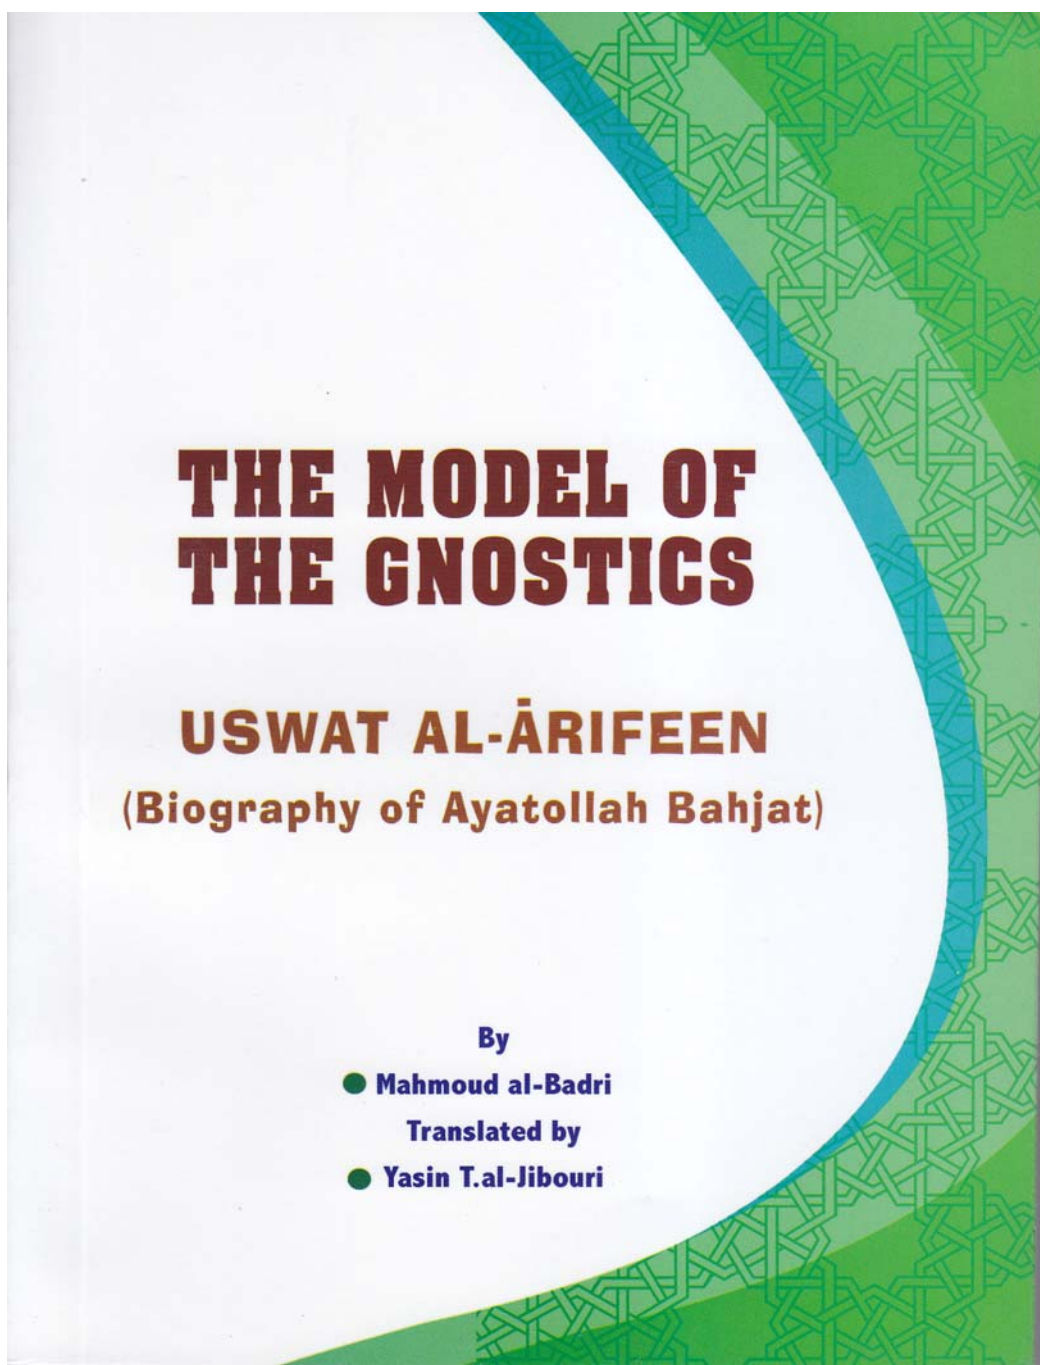

19) Cover of the first edition dated 2010 of al-Jibouri's translation of the book titled in Arabic *مسكن الفؤاد في فقد الأحبة و الأولاد* by Zayn al-Din Ali al-Āmili, ISBN 978-964-219-153-6. This is a unique translation: Each page is in Arabic faced by its English translation. It was a tough translation due to most texts in it going back to more than a thousand years.

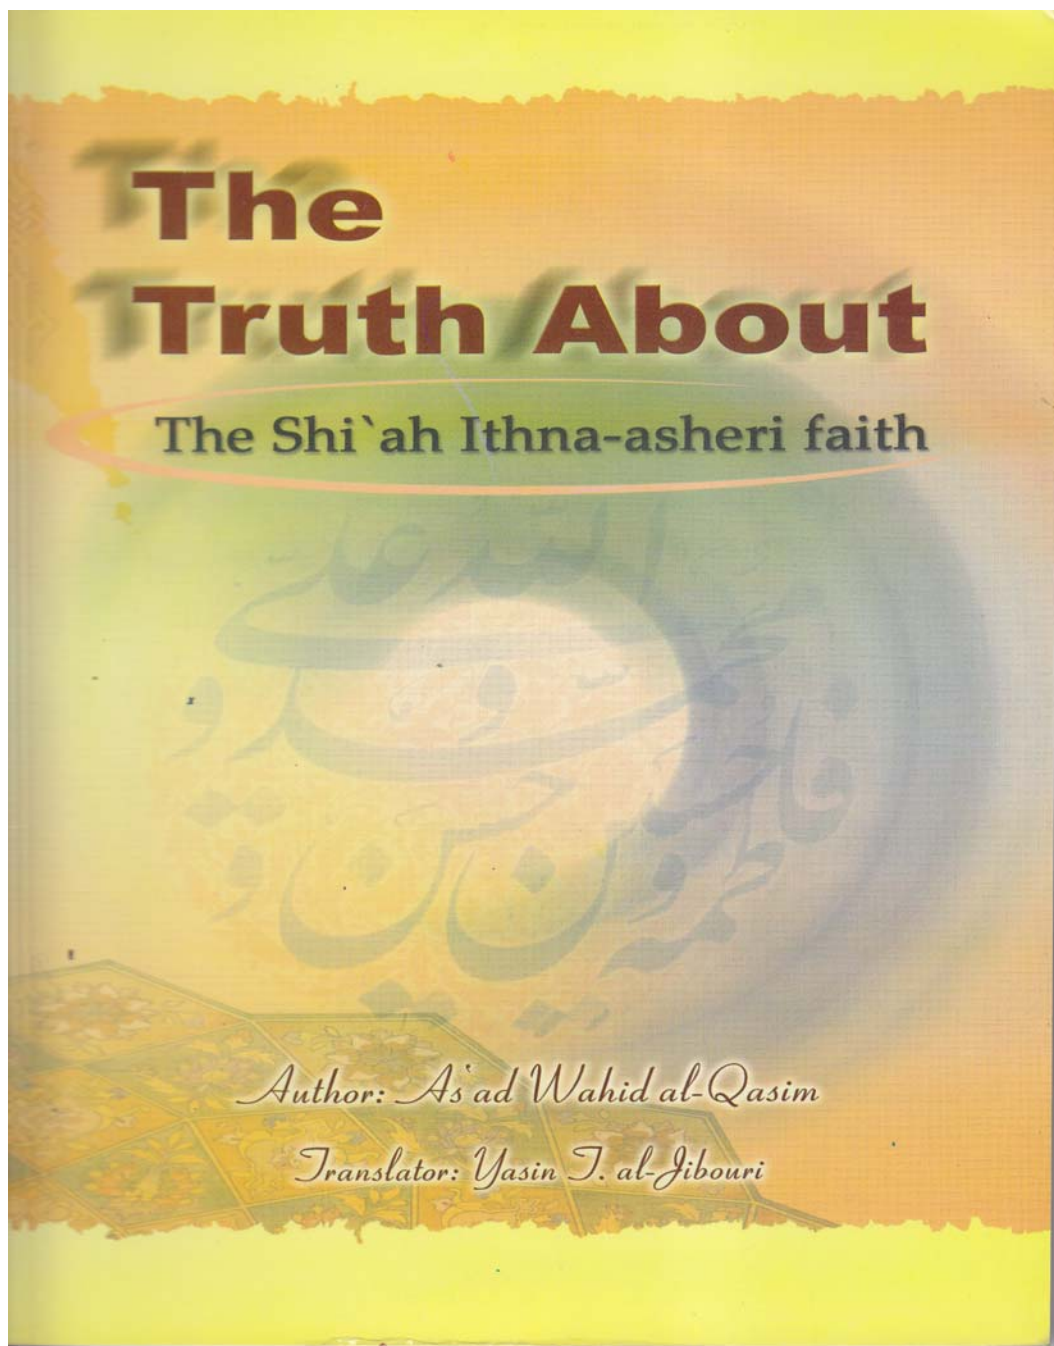

20) Front cover of al-Jibouri's translation of *Kashf al-Reeba an Ahkam al-Gheeba* of Taqi ad-Din Ibrahim al-Amili. Ansariyan published this book, which carries ISBN 978-964-438-977-1, in 2008.

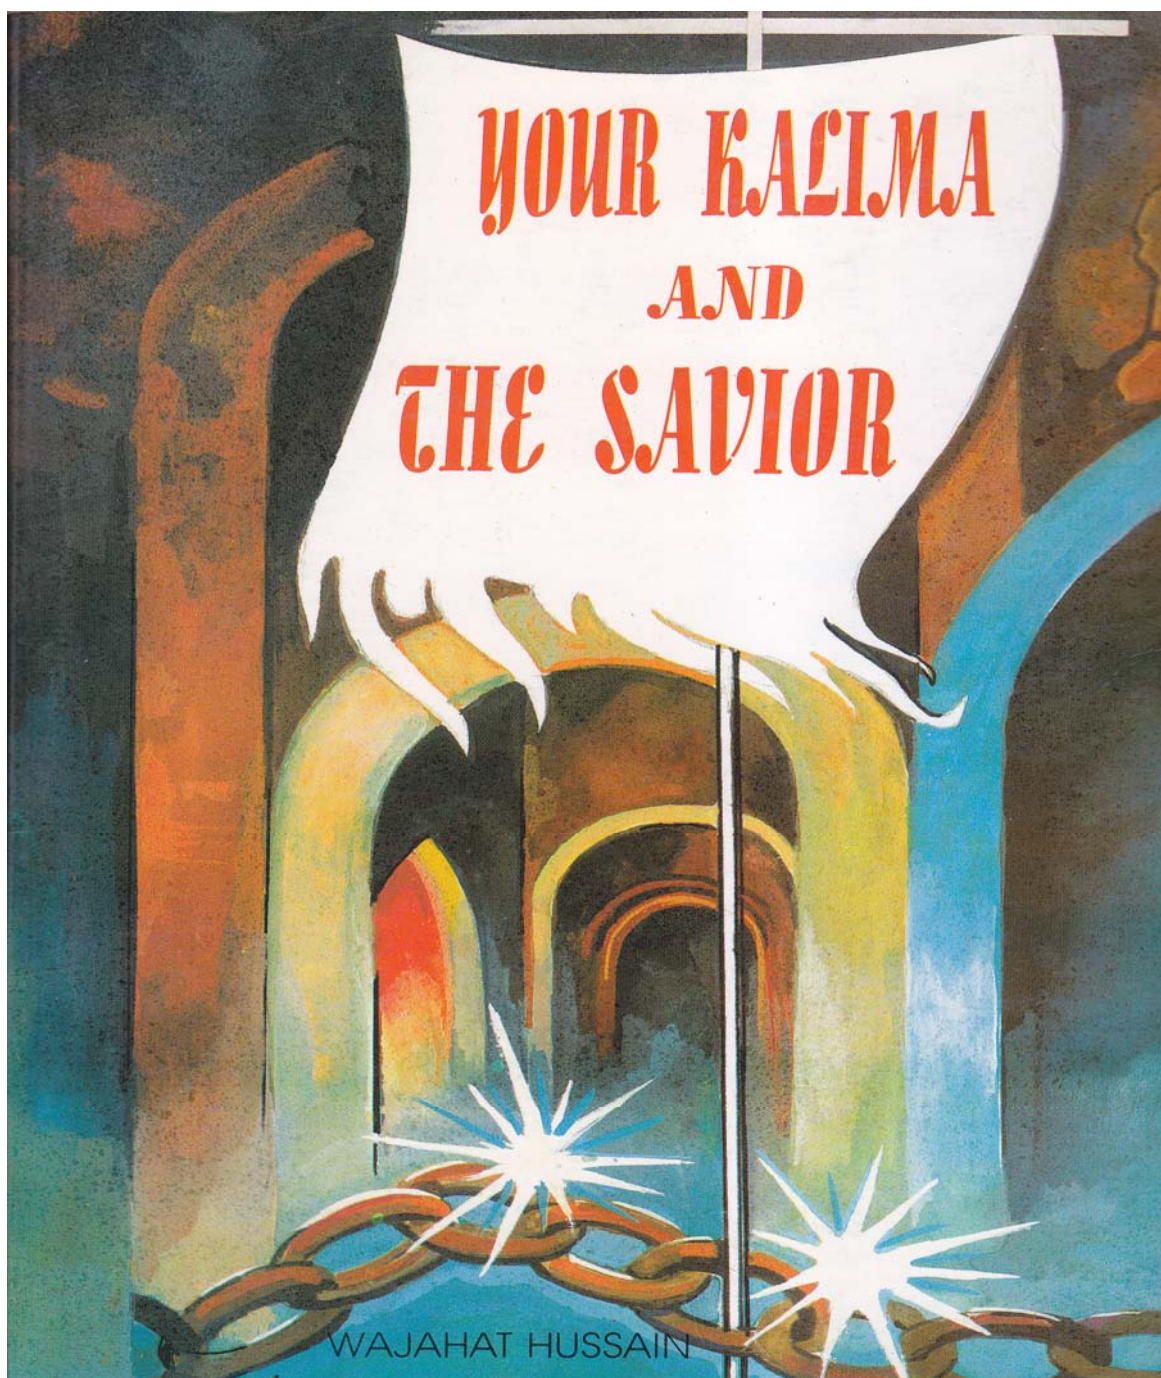

21) Front cover of al-Jibouri's translation of **الرياء والعجب** *Pretension and Conceit*. It was published by Ansariyan in 2008 and carries ISBN 978-964-219-015-7.

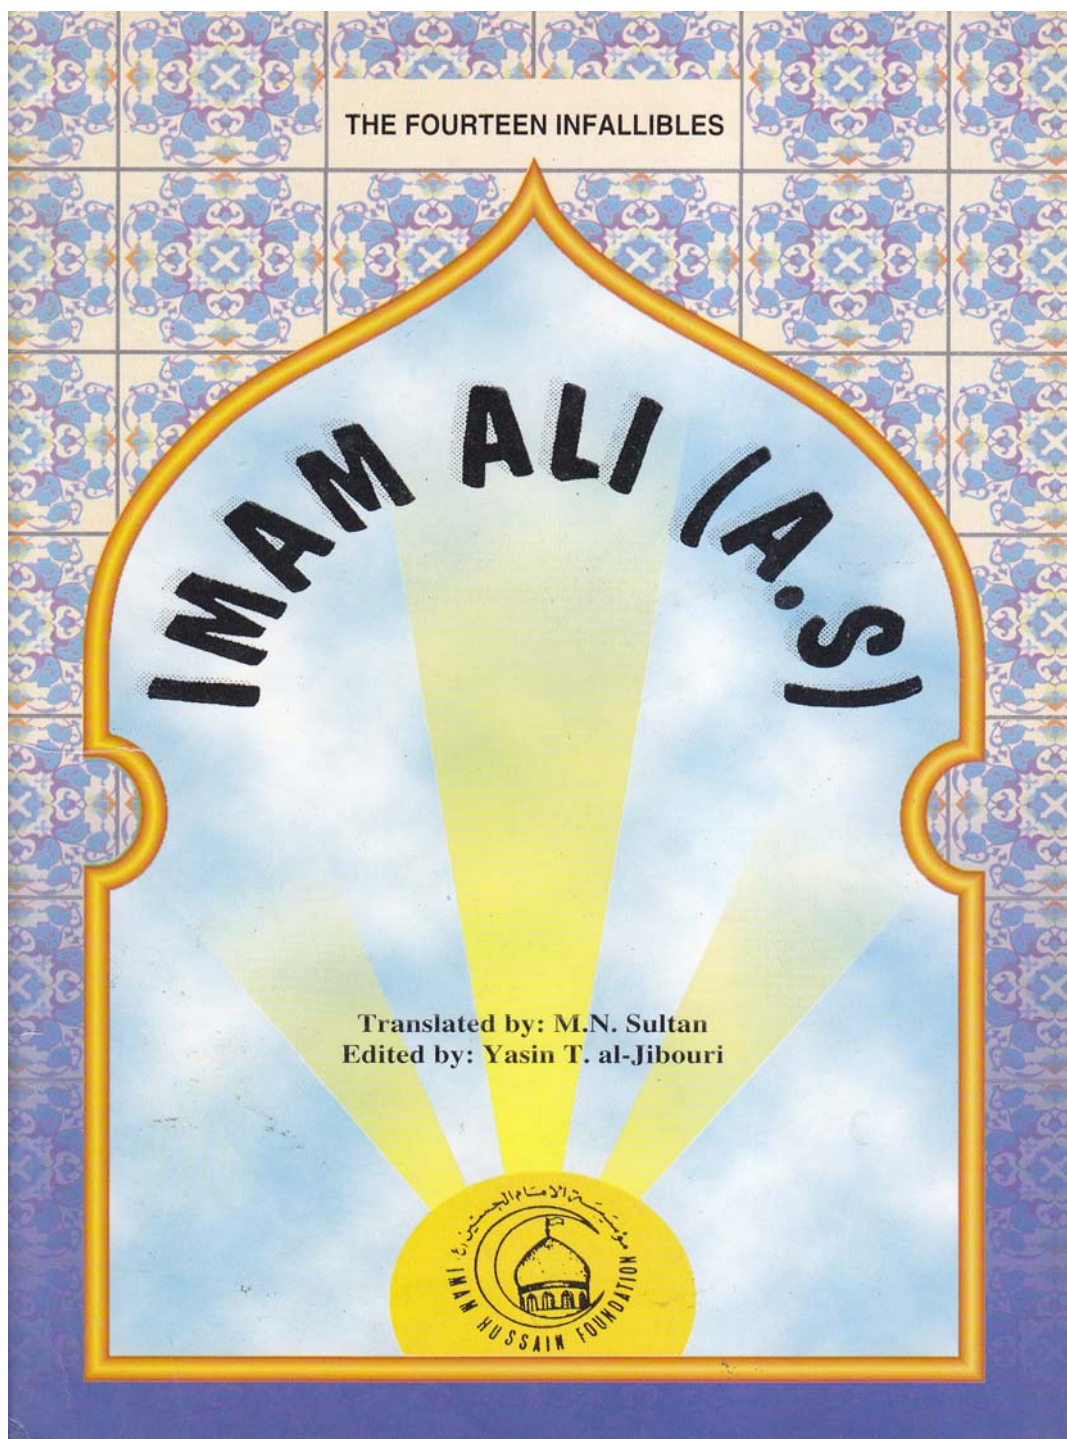

22) Cover of al-Jibouri's translation of أسوة العارفين *The (Role) Model of Gnostics*, and it was published in 2008 by Ansariyan and carries ISBN 978-964-219-016-4. This is a very interesting and inspiring book.

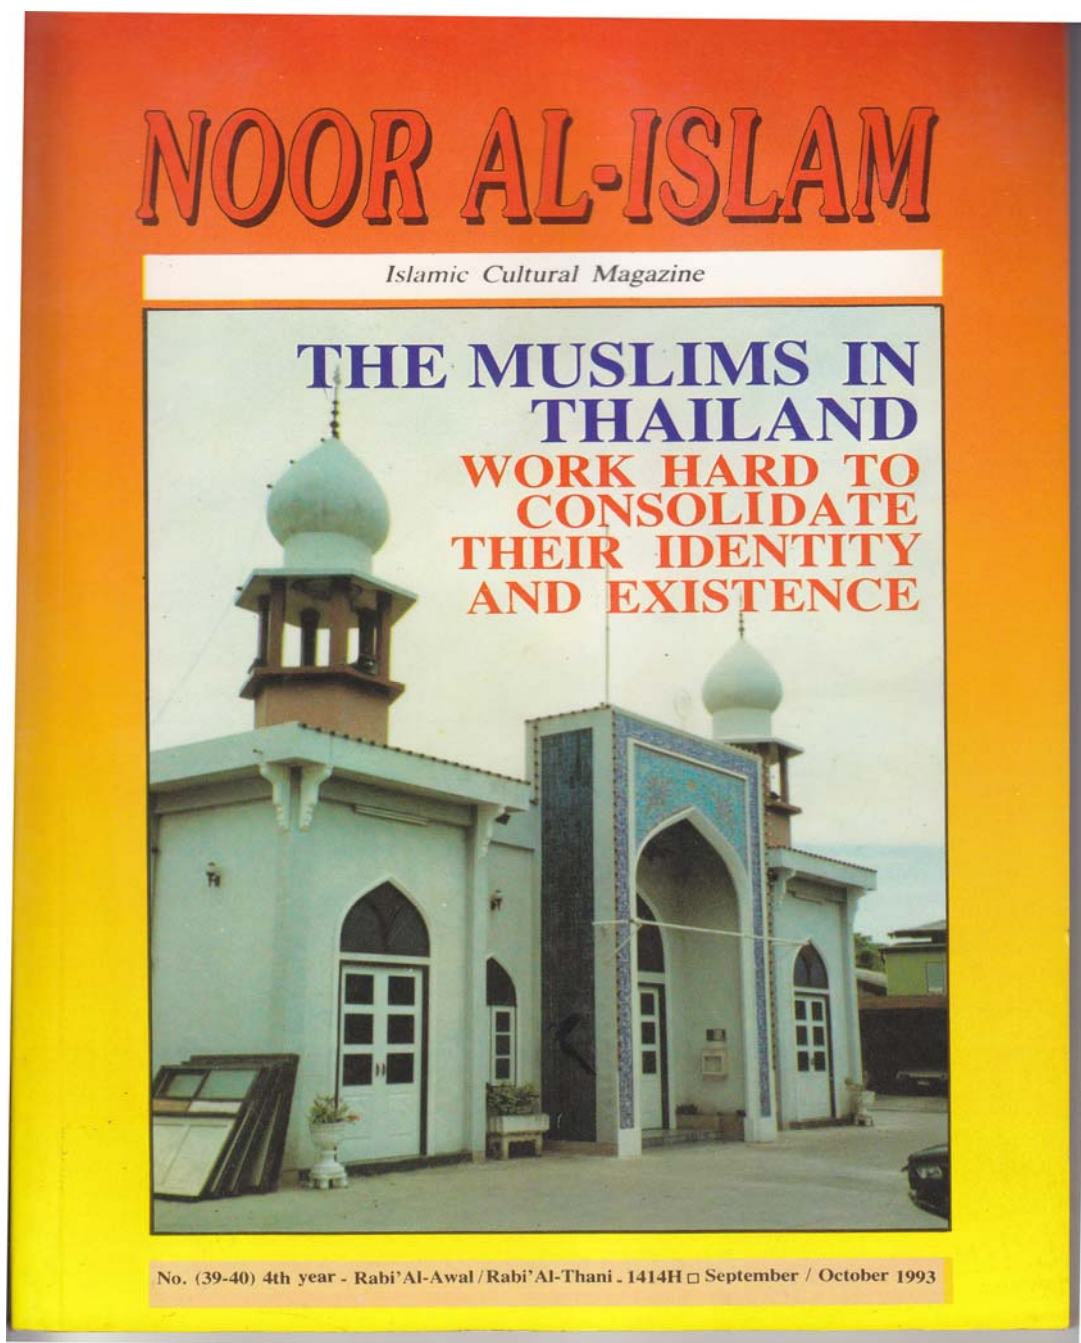

23) Front cover of al-Jibouri's translation of a book by a Palestinian Sunni doctor who embraced the Shi'a faith, namely As'ad Wahid al-Qasim. It was published by Ansariyan first in 2004 then in 2006 and has ISBN 964-438-617-5. It should inspire you, too, to embrace this great faith.

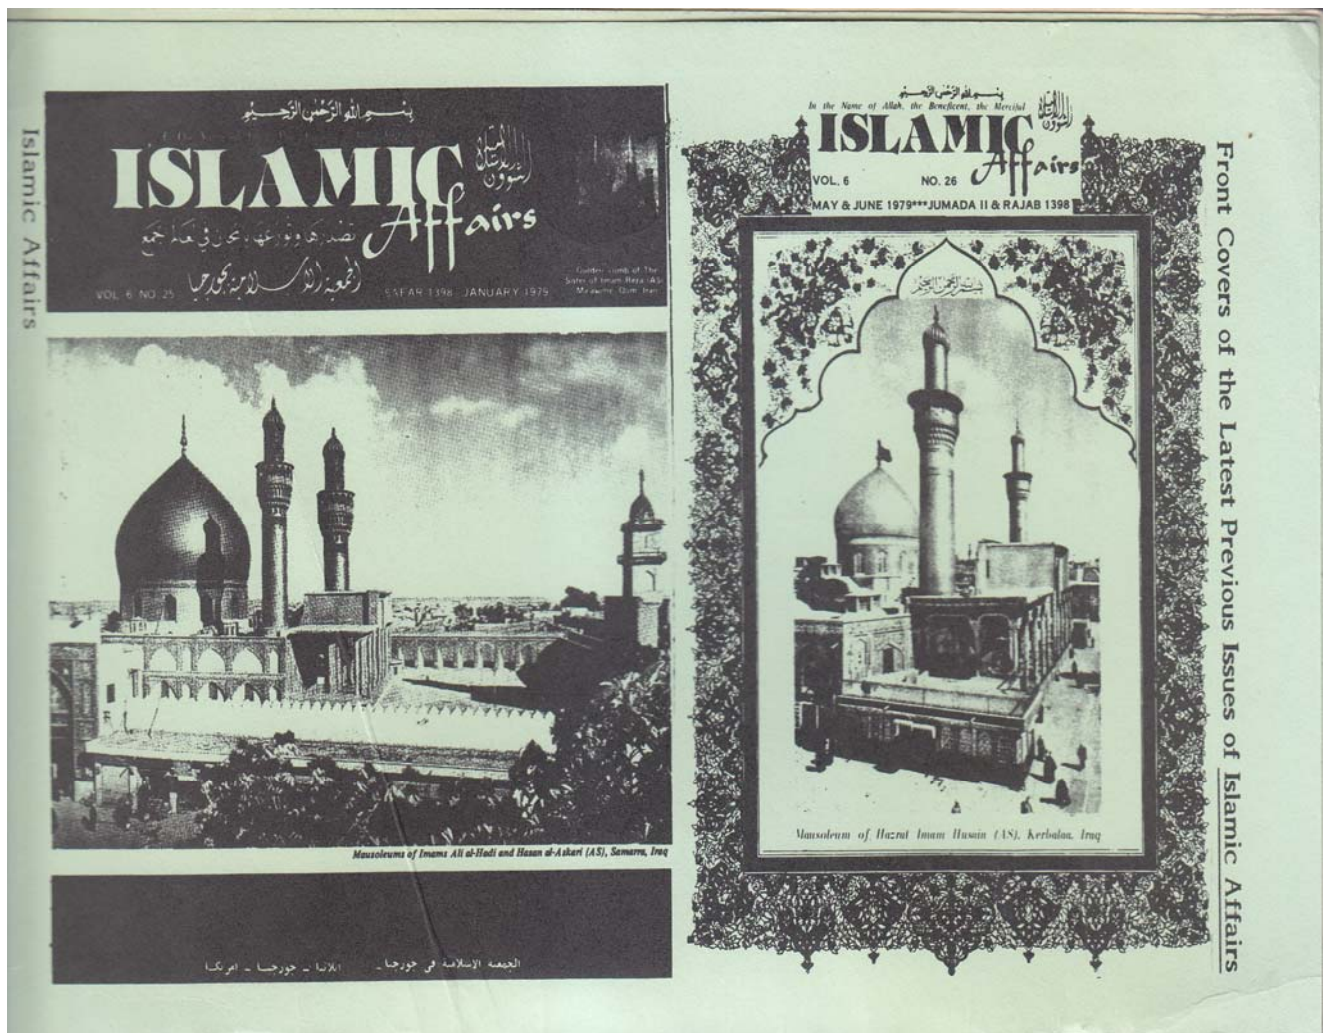

24) Front cover of *Your Kalima and the Savior* by Wajahat Husain, edited by al-Jibouri, published in New Jersey, U.S.A., in 2001 in 61 pages. It is inspired by al-Jibouri's *Kerbala and Beyond* book.

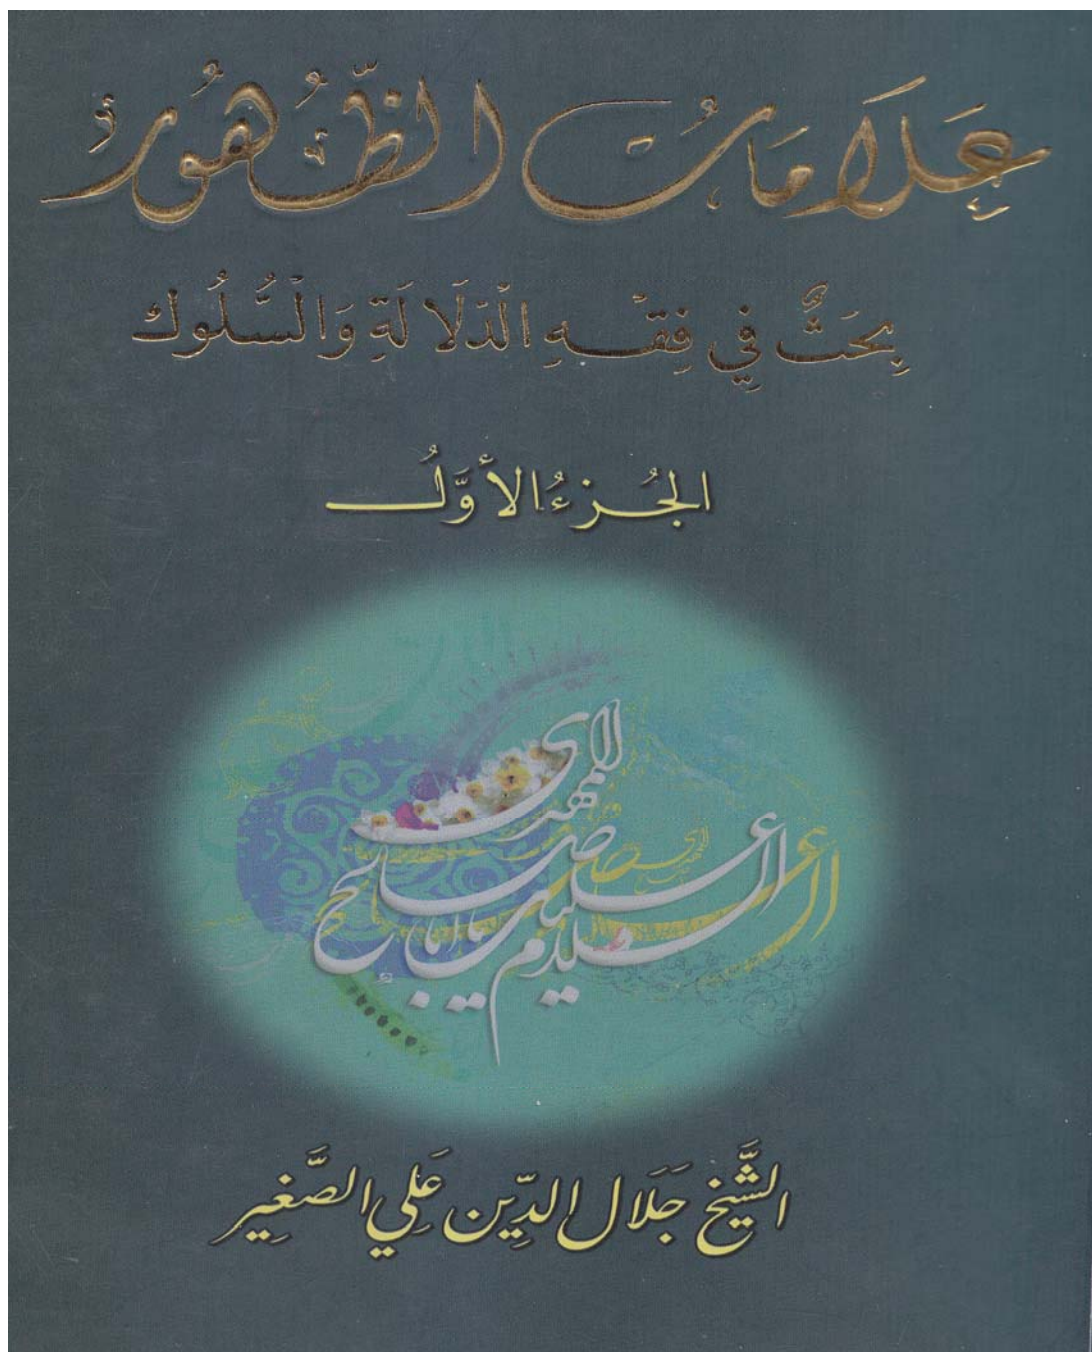

25) One of 14 in a series about the Infallibles ﷺ published in Beirut, Lebanon, by Imam Hussain Foundation which al-Jibouri edited.

26) Yasin T. al-Jibouri is editor of the English section of *Noor Al-Islam* magazine which is published in Beirut, Lebanon, by the Imam Hussain عليه السلام Foundation.

27) Covers, which al-Jibouri enjoyed designing, of issues of *Islamic Affairs* bulletins which he used to edit and publish in Atlanta, Georgia, prior to moving to Maryland then to Virginia. Al-Jibouri started editing and publishing *Islamic Affairs* in Atlanta, Georgia, in 1974 and continued its publication till 1979. Having settled in Northern Virginia, he resumed its publication in 1983 in a different format, then he had to terminate it for good in 1989 due to insufficient financial support from the Muslim communities. This publication gained a great deal of popularity, and the Preface to al-Jibouri's book *Mary and Jesus in Islam* (both Anariyan and Authorhouse editions) tells you more about it.

28) Yasin T. al-Jibouri has just completed his translation of Volume One of *Alāmāt Al-Zuhoor* by Sheikh Jalal ad-Deen al-Sagheer, imam of the famous Buratha (or Baratha as he prefers) Mosque in Baghdad where Imam Ali عليه السلام once prayed. This translation is being prepared for publication in Beirut, Lebanon.

In addition to the previous 28 titles, al-Jibouri has also written, translated or edited many more which include the following 30:
